

LE MARTI

ARGENTIÈRE - FRANCE

Chalet Le Marti enters into its second year as one of Chamonix's most prestigious ski chalets. Stylish décor and a highly professional team of staff set the atmosphere for a truly unforgettable stay.

Nestled in the heart of the village of old Argentière, this former schoolhouse measuring 340m² is spread over four floors and has been lovingly recreated as a luxury boutique styled chalet for families and corporate clients that demand something extra special from their holiday.

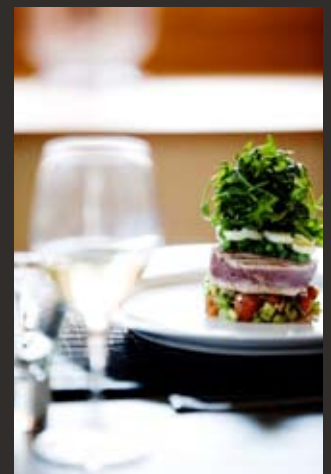

Situated at the foot of the famous Les Grands Montets ski area, Argentière is Chamonix's neighbouring village and is the central point in the extensive Mont Blanc network, offering some of the best skiing in Europe.
