ROMANCE AT HOTEL ZÜRSEHOF SKI & WELLBEING RESORT

Peaceful and sunny, Arlberg is a top international resort that has been popular with a cosmopolitan crowd for decades, who come for the excellent skiing and fun après scene.

Equipment can be rented from the dedicated ski shop at the hotel, and lessons can be arranged at the Zürs ski school.

The area also offers a range of alternative activities – horse-drawn sleigh rides, snow-shoe tours and ice-skating are all options for when you fancy a day off the slopes.

Be dazzled at the Swarovski Crystal World, or visit the traditional alpine village of Zug. The nearby St Nikolaus church, dating from the 14th century, is the perfect setting for a fairytale white winter wedding.

- Staff at the Zürserhof will be happy to organise tailor-made packages for an anniversary, wedding or honeymoon. From horse-drawn sleigh rides to champagne in front of a roaring fire, the hotel can help you plan any romantic occasion. Please contact the hotel directly for your special arrangements.
