

Something really out of the ordinary, unique and exceptional? A journey by Italian Luxury Travel is an astonishing experience! A Concierge service is available for any desire, need or whim you may have.

LUXURY JOURNEYS

You will have the chance to visit Italy by limousine, by helicopter, by private jet or on board one of our yachts and you will feel coddled and pampered by our staff. In the villas and in the farmhouses chosen for you, chefs and sommeliers will give you the pleasure to taste and enjoy the best of Italian wine and food, on our yachts a flawless service won't make you miss the "starry" restaurants, every little detail is very accurate and nothing is left to chance. Furthermore, we can boast a security staff and bodyguards to preserve your privacy.

A customized journey completely meeting your needs with our experts at your service. Our work does not end when you book... it starts there.
