GENERAL INFORMATION

Vertical Meters/Feet of Skiing

Last Frontier Heliskiing charges only for vertical meters/feet actually skied. We do not charge for "vertical lift" such as for flights to and from the skiing. All vertical meters/feet of skiing included in the tours are guaranteed and you will receive a refund if you do not reach the vertical footage included in your tour because of poor weather or mechanical breakdown.

Costs for additional skiing are charged only to guests who decide to ski over the guaranteed vertical meters/feet included in their tour. Our guests are informed on a daily basis of their vertical meters/feet skied and can therefore make an informed decision whether or not they want to continue skiing. Skiing on your last day may end early due to transfers and checkout.

"Down Days" are non-refundable. However, if due to mechanical breakdown or poor weather, we are unable to fly and you do not reach the total vertical feet/meters included in your tour because of such a reason, we refund the un-skied footage at the rate for additional skiing.
