This was a holiday of a lifetime! Lookout Point surpassed our every expectation. They were very thoughtful and knowledgeable and took a lot of trouble to understand our requirements. It was a wonderfully organised holiday full of amazing sights and activities. It whetted all our appetites to revisit New Zealand! Thank you again.

“What a great trip! Lookout Point provided our family with 10 out of 10 service throughout our New Zealand vacation. You did a great job and took the hassle out of our vacation. Being available at all times made a real difference for example to re-arrange our helicopter at such short notice.

Diane & Bruce Bearer,
California, USA

We had an incredible time, and we wanted to thank you so much for putting together a fabulous itinerary in New Zealand - we loved it - you managed to devote enough time to relaxation as to activities. Loved the fly fishing tutorial...helicopter and cruises were great.
