Imposing Elegance, Sardinian Style

Designed by Savin Couelle, this villa is located in Cala di Volpe, one of the most exclusive residential areas of Porto Cervo, and just 500 Mt from the famous "Long Beach". The Villa is set in 10'000 square meters of resplendent gardens with palm, olives, rosemary and bouganvillea scattered across its expanse

The Interior has been renovated during 2009, decorated in neutral, cool whites and creams with Sardinian terracotta floors. The bedrooms continue the theme of neutral color and country decor with an interesting touch of simple plant frescoes hand painted on the wall by a local artist, Ten Bean shaped pool, and the outdoor living area invites you to sunbathe and relax during the day or a nice dinner in the evening served by one of our Chefs. Enjoy the magnificent view on Cala di Volpe Bay from the hilltop Jacuzzi area that you can easily reach with the electric Golf Cart of the Villa.
