THE CARIBBEAN, WITH A CERTAIN JE NE SAIS QUOI

THE SOPHISTICATED ALLURE OF THE FRENCH RIVIERA.
THE RELAXED ATTITUDE OF A CARIBBEAN ISLAND.

I first visited Anguilla on vacation (as I hope you will). Wouldn't it be wonderful, I thought, to create a luxury hotel blending the warm friendly atmosphere of the Caribbean with understated European elegance incorporating the finest elements of service, comfort and fine dining.

That thought became my driving passion.
Over two decades later, **it still is.**

Leon Roydon

DO NOTHING. DO EVERYTHING.
EITHER WAY, DO IT IN STYLE.

Seclusion. Inclusion. Guests can hide themselves away. Guests can join in. At the Malliouhana our visitors can lead the luxury life they like. For the passive, we have many private places. For the active, we have places to play, sail, swim and workout. We adjust ourselves to each guest's personal pace. And with 25 acres of lush, landscaped gardens, we have room to make couples and families welcome. Everyone has their own space.

WITH ONLY 55 ROOMS AND SUITES,
WE CAN MAKE EACH ONE QUITE SIZEABLE
AND QUIETLY LUXURIOUS.

Especially spacious, our rooms and suites could hardly be more accommodating. Too large for one building, they are spread throughout the property, in the main house, on the terrace and in villas located in the garden, on the beach and on the bluff. Each has a terrace or balcony, a stunning sea view and subtle, stylish views throughout the elegant interiors. They are decorated with rich, dark walnut, rattan furnishings and colourful Haitian artwork. The large bathrooms are fully lined with Italian marble.

FINE DINING REQUIRES FINE WINES.
FORTUNATELY WE HAVE ONE OF THE
FINEST WINE CELLARS IN THE CARIBBEAN.

Our restaurant's awesome sea view is forgotten as soon as diners savour its expertly prepared dishes. Michel Rostang at Malliouhana consistently wins prestigious international awards. The menu blends local Caribbean flavours with classic French cuisine to create memorable meals. Creativity in the kitchen is complemented by our sommelier's selection of wine, stored in the Caribbean's largest wine cellar. After (or before) dinner, our Sunset Bar serves classic cocktails.

THE PERFECT MARRIAGE OF STYLE AND
SETTING. WEDDINGS AT MALLIOUHANA.

An Indian tent in the secluded garden overlooking Turtle Cove? A luxury tent on the beach at Meads Bay? Choosing the most romantic setting for the ceremony may be as difficult as choosing the menu from our award-winning cuisine. We can arrange a discreet ceremony for the Bride and Groom or a lavish celebration for 100 guests. Intimate or spectacular, weddings at Malliouhana are always expertly arranged and totally unforgettable.

AN OPPORTUNITY TO GET AWAY FROM
IT ALL. AND GET AWAY TO IT ALL.

Guests seeking solitude have 3 sandy beaches, stretching 1 mile, at their disposal. Our spa, too, offers pure escapism. Not everyone longs to escape, of course, which is why we have 3 freshwater pools, 4 championship tennis courts and a half-size basketball court. Le Bistro, near the beach, is the place for casual day-time dining. Our private motor cruiser is on hand for snorkelling, scuba diving and deep sea fishing, while children can board our pirate ship, land-locked between the 60ft waterslide and the toddlers' pool.
