

The Uber Luxurious Chalet in Meribel Village

You won't find a more charming rustic beauty than Foinsbois with its spacious bedrooms and uninterrupted views.

Nestled in the quaint Méribel Village with smoking chimneys and snowy wood piles, Foinsbois represents the very best in Alpine charm. The spacious interior features warm colours, a homely kitchen and dining area, and although boasting all the expected modern luxuries, even the outdoor hot tub is formed out of beautiful old stone.

The chalet sleeps 12 guests in arguably the most sought after position within the village: sun drenched balconies offer stunning views of the valley, and whilst extremely private, the chalet remains a mere two minute walk from the speedy 'Golf' chair lift with quick access up to the Altiport and the main slopes of Méribel, from where connecting lifts offer a route up to Courchevel.

Méribel Village itself is a relatively quiet home for locals in the know, but for a change of scene, the chalet is just a 10 minute drive in your chauffeured 4x4 to either La Tania, or 5 minutes to the lively heart of Méribel.
