RA SĀ NĀN DĀ  
PHANGAN ISLAND

At Rasananda Phangan Island, our approach to a wedding is much like our approach to everything we do, unique and personal focusing on the guest and the overall experience. It is important we understand your needs, wants and dreams so we can determine whether Rasananda and Phangan Island is the ideal location for the most memorable day of your life – your wedding day.

Being an intimate resort, our team understands the importance of your special day and is committed to ensuring a unforgettable experience for you and your guests. We will check every detail, twice, so that you can relax and enjoy the moment.

At Rasananda, we do not believe in a ‘wedding in a box’ package mentality as we do not feel it is special or unique. Having said this, there are always basics of a wedding that are necessary and at Rasananda we consider these,

- Personal Wedding Coordinator
- “Honeymoon” Room Set-Up
- The actual wedding ceremony
- Thai Traditional Wedding With Monks
- Religious Ceremony with Christian Official
- Non-Denominational Ceremony with Official
- Flower Arch
- Bouquet for Bride or Flower Garland
- Corsage for Groom or Flower Garland
- Champagne Breakfast in Bed for Two

The tariff for the above is 55,000 THB beachside and 70,000 THB at a Thai Temple.

Beyond the basics, once you have confirmed your dates, you will be assigned an in-house coordinator will be your primary contact for all arrangements and to help you plan the additional items such as food, beverage, flowers, entertainment and any other item to make your dreams reality.

Our team has many years experience in Thailand planning Bachelor & Bachelorette functions, Hens and Bucks Nights, Thank You Dinners and other related festivities. And when thinking of what you would like to offer your closest friends and family who share your special day, the limit is only your imagination and ours. Past events in the area have ranged from luxurious spa days to a Hen’s ‘Day’ on a deserted island with flowing champagne, passed canapés and manicurist and masseurs standing by to cater to guests every whim. Your job is to dream, ours is to take the journey with you to bring it to reality.

Please note that while on occasion we make exceptions, we plan and host weddings for parties of not less than 10 people and not more than 120. All weddings we host must include a reception with food and beverage.
