WHY RM ELEGANT ONLY?

ELEGANT, is a 72.40m mega yacht, ranked amongst the most elite charter yachts, in a dynamic, futuristic and unmistakable profile. It offers accommodation for 30 guests in 15 suites with private facilities, 13 of them fully converted to Kings or Singles.

A great yacht, with an extensive range of entertainment capabilities and water toys, in commands of a highly qualified Master and crew (31 members).

The yacht is capable of cruising in the Mediterranean and worldwide destinations in grace, safety and excellent performance.

RM Elegant is classed as a "Passenger Vessel", complying with SOLAS (category: "Passenger Ship") and USCG, as well as USPH regulations, making her unique in a worldwide cruising.

Certifications: SOLAS (category: "Passenger Ship") and USCG, as well as USPH regulations. The USPH regulations are important to your clients as define the crew quality in both of officials and hotel management stuff, certified in qualifications approved by the USA Public Health authorities. Those certificates are renewed on an annual basis after the appropriate surveys and crew seminars. At this moment none other mega yacht may provide this bouquet of all above certificates.

C-Band system is available on board, 512kbit upstream and downstream dedicated bandwidth connection. In addition system is locked on a wide beam spot, which means that you can have even during the transatlantic voyage of a fast internet without necessity of interruption.

This is of utmost significance to any businessman whilst enjoying vacation.

GSM is available on board, Cell mid VSAT connection frame relay meaning you can get the bill at your house (roaming).

Performance in perfect **stability** during cruise due to the well designed hull in harmony with the superstructure, beyond the Koopnautic stabilizers.

Fresh looks. The current looks of the yacht: Beyond a futuristic elegant and unique exterior design, it is utmost impressive how the interior of the yacht reflects a fresh look as if was build today. The carpets, always thick, bright white, renewed every season, the fabrics in great texture match with the incorruptible panels, the well maintained stainless parts with none stitch or water mark, make you believe they are all set today on board. The yacht does not look weary and tired as other vessels do. Yacht viewing is a 'must' to relish the above.

MORE TO KNOW

Since the date of construction almost the same crew. Professionalism and pride of the crew for RM ELEGANT. Our officials come from the cruise-ships industry and most of them including our Hotel Manager are assigned on board since the date of the vessel's construction.

Huge decks making the yacht ideal for Parties & Happenings. RM ELEGANT is well known for her ambient space and huge

decks make the vessel ideal for great parties whilst cruising, at anchor, or at the port.

Elevator facilitation all decks (Main deck, Salon deck, Bridge deck, Sun deck) easing the movements of the charterers especially in need of it.

Super quiet cruising at no vibration or disturbing noises during day or night.
