

THE GREAT KAROO

EASTERN CAPE, SOUTH AFRICA

Discover the Africa one has always dreamt and read about, with vast open plains, spectacular sunsets and starry skies with the Milky Way so close you can almost touch it. Experience the charm of a traditional Colonial homestead surrounded by 70 000 protected acres in the malaria free Great Karoo. Picnic overlooking the Plains of Camdeboo. Be inspired by the conservation projects which include the return of endangered species to Samara and where every effort is being made to preserve global biodiversity in this unique environment.
