VILLAS & SIX SENSES SPA - DALAT

*Redefining Experiences*

Vietnam

## Location

Dalat is located in the south central highlands of Vietnam. Known unofficially as The City of Eternal Spring, Dalat also lays claim to the title of le Petit Paris. A scaled down version of the Eiffel Tower emerging from the city centre adds a certain Parisian feel, however it is the natural beauty of Xuan Huong Lake and the numerous examples of European inspired architecture and wide city streets that are really the centerpiece of this gorgeously romantic seductive city of 192,441 inhabitants. Using the cool European climate (the area sits at an altitude of 1500 metres above sea level) and the rolling mountainous, pine treed terrain, Dalat became the summer hill-station retreat for royalty and high society.

Villa Exterior

## Concept

A 65 room resort, restaurant and Six Senses Spa set in the rural highlands of Dalat, Vietnam comprising fifteen fully restored colonial-style villas, each originally constructed between the 1920's and 1930's by the French settlers of the time. The villas retain the unique personalities of their original owners while being lovingly restored to their former glory - albeit with the Evason touch, with all care taken to preserve original design, décor and charm.

## Management

Evason Ana Mandara Villas - Dalat is managed by Six Senses Resorts & Spas, who have developed and operate unique properties in Maldives, Oman, Thailand, Vietnam, Spain, Fiji and Jordan under the brand names Soneva by Six Senses, Six Senses Hideaway, Six Senses Latitude and Evason: plus Six Senses Spas and Six Senses Destination Spas. The Six Senses team has positioned Evason Ana Mandara Villas to incorporate the same brand values and personal service promised in the Six Senses Core Purpose: *To create innovative and enriching experiences in a sustainable environment.*
