

THE MARK

The Mark is housed, as it has always been, in the beautiful 1927 landmark building at the corner of Madison Avenue and 77th Street. But inside, The Mark has been completely reimagined and given new life and identity for the 21st century. Newly-reborn, The Mark combines old-world comfort, avant-garde design, up-to-the-minute technologies and an unprecedented level of personal service to create the finest five-star hotel of the 21st century. Drawing on the expertise of an extraordinary group of talents – foremost among them the designer Jacques Grange and the hotel maestro James Sherwin – The Mark Hotel is now a beacon of high French style, immaculate British service and American technology and comfort.
