### **Why a Villa Holiday?**

Staying in a private villa is a fabulous alternative to hotel or serviced apartment accommodation, offering privacy and luxury at the same time.

### **Q: What's included in the price of a Touch of Spice villa?**

A: Our nightly rates generally include: all linen, bathroom amenities, exclusive use of the villa, a check out clean and servicing for longer stays. Full concierge services such as pantry provisioning, an in-house chef, security and childcare can be provided at an additional cost.

### **Q: What facilities are available at a Touch of Spice villa?**

A: All our properties, unless specified at the time of booking, have wireless internet access, cell phone coverage, Sky TV, private laundry facilities and off street or garage parking. Most master bedrooms have en-suite bathrooms with the majority of villas offering a bathroom for each bedroom. We also have villas with heli landing facilities, pools, putting greens and spas.

### **Q: Who is on-hand to assist me if I need something or there is an emergency?**

A: Touch of Spice guests have access to our 24/7 concierge team so we are only a phone call away should the worst happen. In addition full emergency numbers including doctor, dentist, police and fire are detailed in each villa's in-house compendium.
