what we do

Creating Exceptional Menus

Attention to detail is key for WEYVES. For that reason, once the chef has been selected, WEYVES consults with the owner or charterer to understand their culinary desires and specific nutritional needs for themselves and for their guests.

Tailor-made recipes are designed by the Grand Chef to create exceptional menus. Whatever is desired, WEYVES will make it possible. Whet your appetite for a WEYVES culinary adventure.

WEYVES GOURMET: *“Exceptional, tantalizing, designer, rare, classic, indulgent.”*

what we do

Tailor-Made Culinary Experiences Designed To Taste

Well in advance of a scheduled trip, WEYVES proposes to the owner or charterer of a yacht a Grand Chef that aligns best with the traveler's culinary taste. Should the owner or charterer desire another Grand Chef partner we are more than happy to place a request with this chef to fulfill any needs for the trip. We invite owners and charterers to suggest their chefs of preference as we are continually introducing innovative, sought-after Grand Chef partners into the program.

A variety of preferences in personal taste means endless menu possibilities:

- Exotic Foods & Dishes of Specific Ethnicity
- Kosher or Halal
- Vegetarian (of different classifications)
- Avoidance of Allergic Ingredients
- Dietitian-designed

WEYVES GOURMET: *"Healthy ingredients and respectful menus"*

what we do

Dining times at any time

Time seems to drift away while aboard a yacht. As a result, dining times may also coast from otherwise typical daily routines. Whether there is a desire to create a set number of meals and mealtimes, or should the owner or charterer wish to graze throughout the day with tasting menus available at any time, the Grand Chef is at their disposal to design culinary experiences around these arrangements. Prior to the trip, WEYVES consults with the owner or charterer and with the Grand Chef to ensure that all needs are arranged and designed to perfection.

Examples of dining experiences:

- Breakfast
- Lunch
- Afternoon Tea
- Aperitif
- Dinner
- Late-Night Canapes
- Summer Party Catered Canapes
- Picnic on a Private Island (prepared and packaged onboard or on shore by the Grand Chef)

WEYVES GOURMET: *“A spirit, an atmosphere, a character. A fabulous feeling.”*

Bespoke Wine Experience: Our Sommeliers

In understanding that a culinary experience is only complete if wine is involved, WEYVES works alongside a select number of renowned sommeliers worldwide. Sommeliers are firmly at the center of any fine-dining experience and their service is increasingly becoming high on demand. In turn WEYVES only works with the best sommeliers on the market who are professionals at the top of their game. They perform with the expertise, dedication and passion to bring to WEYVES clients a tantalizing experience for the palate. Upon request from the yacht owner or charterer, WEYVES will provide a consultation as we do with our Grand Chefs to provide a bespoke, exceptional sommelier experience.

WEYVES GOURMET: *"A delightful mix of pleasure and discovery."*

weyves gourmet team

WEYVES GOURMET takes care of everything while yachters let their travel experience take them away. WEYVES fully manages everything from pre-booking to the onboard experience to the post-trip completion process. WEYVES is a unique interlocutor between the yacht owner or charterer and the Grand Chef throughout the stay on board. WEYVES supervises all steps and coordinates the team management and ensures that all health and safety regulations are met. At any point if the yacht owner or charterer has any special or additional requests, WEYVES goes above and beyond to ensure that these wishes are met.

WEYVES GOURMET: *“Nothing is impossible, everything is attainable. WEYVES reaches beyond expectation.”*

The booking process & schedule

Once the WEYVES GOURMET program & details are finalized and agreed upon by the owner or charterer and by the chef for the yachting experience, WEYVES will provide a final quotation.

WEYVES then will prepare and send an agreement. Upon signing the agreement a deposit (normally 50% of the total quotation is required) is due. The agreement is then signed by the owner and a copy is returned to the owner for their keeping. The signed agreement plus the booking deposit will confirm the WEYVES GOURMET booking.

The deposit allows Weyves and the Grand Chef to go forth with the culinary preparation process for the trip.

The balance of the 50% deposit will be required 1-month in advance of the departure date.

The day of departure the yacht owner or charterer and guests will be greeted by the chef's representative and introduced to their first taste of their bespoke WEYVES Gourmet experience while onboard.

WEYVES GOURMET: *"Luxury yachting by Weyves, an ultra exclusive vision. Sensual and glamorous..."*
