weyves vision

In having established partnerships and alliances with some of the world's most influential tastemakers in their respective industries to provide turn-key, tailor-made services to charterers and owners, Weyves is a luxury corporation with high ethical standard and an ultra creative vision.

Weyves brings to mega yacht, jet or property brokers, internationally acclaimed fashion designers and celebrities creating interiors, celebrity chefs designing menus, renowned spas providing services, and famous artwork created.

Our brokering services focus on utmost quality. In a competitive, but hugely expanding market, Weyves gets to the heart of the industry by focusing only on highly exclusive products and bespoke services.

Weyves International Ltd was founded in early 2007. A registered company in London under the number 6099497, Weyves International falls within the UK legislation. The founder and CEO, Mr. Ezechiel Kauffmann, is an unlimited licensed captain who has spent 18 years working in the Merchant Marine, the cruising and the yachting industry.

weyves couture

Jean Paul Gaultier former president of 20 years, Donald Potard, is the agent to more than 80 leading luxury brands, fashion designers and creators under his company, Agent de Luxe. He has joined forces with Weyves Int. Ltd to launch "Weyves Couture," a concept offering to mega yacht, jet & property owners the opportunity to have their interiors designed and signed by internationally renowned fashion designers.

In response to the increasing demand from a discerning clientele interested in unique, bespoke crafted models, "Weyves Couture by... (the fashion designer)" calls exclusively upon legendary names in the fashion industry. The exceptional collaboration between renowned haute couture designers and yacht interior design expert, Eva Cadio, creates unparalleled luxury-branded interiors of outstanding quality.

Weyves Couture can be applied either to yachts or jets, whether it is a refurbishment, a model under construction, or in the case of yachts, a new design plan from the Weyves Yachts Collection.
